Collection of personal data when applying for published job advertisements

As part of your application, we will receive and process the data that you send us in writing, by e-mail or by telephone.

In the course of your application we collect and process the following personal application data:

Name, first Name

- Address
- Phone
- E-mail
- Application documents (letter of application, CV, certificates, etc.)

The collection and processing of your personal application data is exclusively earmarked for the filling of positions within our company. In principle, your data will only be sent to the internal company responsible for the concrete application process.

This processing of personal data takes place here on the basis of a consent given to us by the applicant with the submission of his application documents. Art. 6 para. 1 lit. a EU General Data Protection Regulation (DSGVO) as legal basis. You can revoke your privacy declaration at any time with effect for the future.

A transfer of your personal application data to other companies of the Doosan Group does not take place without your prior explicit consent.

Any further use or transfer of your application data to third parties and also a transfer of data to so-called third countries will not take place.

Your personal application data will be deleted automatically three months after completing the application process. This does not apply insofar as legal provisions preclude a deletion which requires further storage for the purpose of providing evidence (for example, a burden of proof in proceedings under the General Equal Treatment Act or you have expressly consented to longer storage).

If we are unable to provide you with a vacancy, but your profile suggests that your application may be of interest for future job offers, we will store your personal application information for a period of 12 months if you expressly consent to such storage and use.

Your rights as a person concerned

According to GDPR you have the following rights:

Right to information under Article 15 GDPR

You have the right to request a confirmation as to whether the data in question is being processed and for information about this data as well as for further information and a copy of the data in accordance with Art. 15 GDPR.

Right to correction under Article 16 GDPR

You have the right to request the completion of the data concerning you or the correction of the incorrect data concerning you.

Right to erase under Article 17 GDPR

You have the right to demand that the relevant data be deleted immediately, or alternatively to demand a restriction of the processing of data in accordance with Art. 18 GDPR.

The right to erasure does not exist if the processing is necessary
